MAHISCAN

Dear Roger  
 You have a feeling for the  
 appropos. This quality is  
 one which I enjoy very  
 much. I'll never forget  
 what you said when I  
 needed it most; you were  
 the only one to say anything.  
 You may say every person feel  
 your friend and every  
 person feel a man. I wish  
 I could say that  
 better. But I don't. I don't  
 not my eyes. You always have a friend  
 in me. Reg. As there will  
 always have you. You are  
 an inspiration and a friend.  
 Your friend and sister  
 John & 2" Garner

*ROGER  
Qualman*

Dear Ray -

I'll guess I'll mess up the same page in yours as you did mine. Never forget the fabulous times of these past four years; Mrs. Sig - and the quartet, the Valentine Party. You looked tremendous at the Dadie in your beautiful blonde hair. Remember how we argued our opinions at the "Limiting Student" meetings on Monday evenings. - I don't think I could have made it through U.S. Problems without your humorous remarks - and help. I think the good old Doc. was kinda partial to us sometimes. You have been about the only bright spot for me this year. No matter how terrible or how sorry I felt for myself you made me laugh and be happy. - Thank you for just being you - for you are about the most thoughtful and considerate person I know.

I know you'll succeed in life for you have a tremendous ability to get along with people. When your face is on the <sup>Republican</sup> President's Seal - I hope you will still remember a gawpy kid that loves to laugh and have fun —  
always,  
Bennie

Page 1  
Well, since I'm the first one to put my "John Henry" in this here book, I have my choice of spots. I guess I'll write a little on every page just to make things interesting - ya, I agree, it's not such a hot idea. Anyway, to get down to business, I have really enjoyed your friendship

## We broaden our horizons . . .

the past four years. I have told you my problems (at least I thought they were problems then) many times, and you have graciously listened.

We have had many classes together. Especially this year - (I just can't get rid of you!) Never forget the trouble we always manage to get in - in English and Problems. Of course it's all your fault, cuz I never talk very much.

Everyone always says "Guts of luck" - but when a senior says it, it means a lot more - and I really do mean it.

## Activities Benefited By Art Teacher's Work

Because of his assistance to many school organizations, the staff is proud to dedicate the 1962 Mahiscan to Mr. Jack Lefler. An art and photography instructor at Marshfield since 1956, he is always willing to work on stage designs, posters, and numerous other art projects connected with the school and community. Without his help the school publications would lack much of their appeal. His assistance in the cover designing contest has brought prizes to the yearbook. The staff is happy to dedicate this annual to a dedicated teacher.

# FACULTY

The faculty of the school plays an integral part in guiding the next generation to its place in the world. An excellent curriculum plus outstanding instruction yields many well-educated students. The years of high school are among the most formative of a student's life, and those who teach him in these years are sculpturing the society of tomorrow.

# Administration

Principal

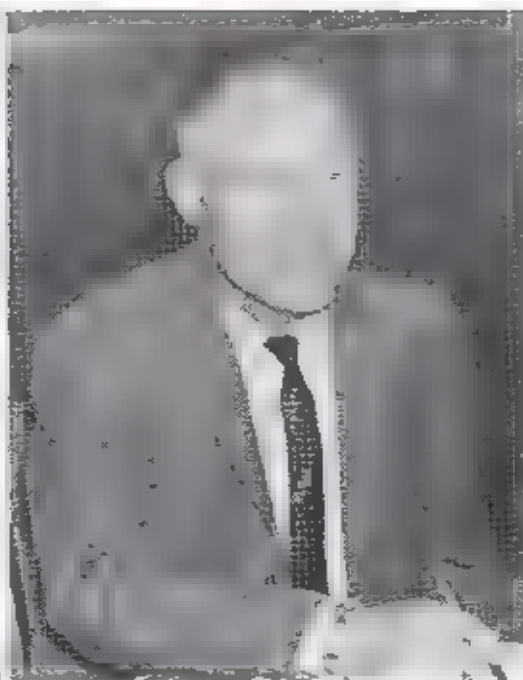

## Administration Directs Forward-Looking Policy

A capable administration promotes progress in a school. Marshfield's efficient administrative department is headed by the seven members of the school board and the superintendent-clerk of schools. They are aided by the principal, vice-principal, guidance counselor, and deans in determining school policy and outlining the curriculum for District 9. The school is fortunate in having so many dedicated people willing to support forward-looking policies to enrich the lives of the district's teenagers.

# Commerce

R. Heffington and J. Lindstrom learn the intricacies of the calculator and adding machine in secretarial training.

## Pupils Learn Business Skills

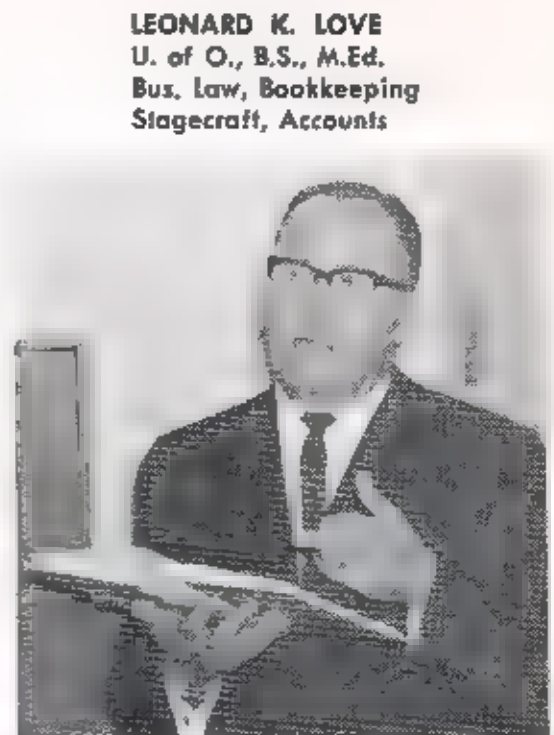

The commerce department helps students become more efficient in the activities of everyday business. Courses such as typing, bookkeeping, shorthand, general business, business law, office practice, and office machines teach students skills that are useful not only for a position in the business world but also for his personal use.

The students are given the opportunity to broaden their background by taking a number of field trips and talking to local businessmen about the different aspects of business. Students practice using tape recorders, mimeograph machines, dictaphones, and many other machines.

## Math and Science Depts Develop New Programs

One of the chief purposes of a science course is to make students more aware of the nature of their environment and man's attempt to understand science. Many students took advantage of the wonderful facilities available at Marshfield.

Much new equipment was purchased for a new course, Earth Science, which was introduced to advanced science students to provide an opportunity for students to further their knowledge of the earth.

By offering a variety of courses such as basic math, consumer math, trigonometry, algebra, and senior math, the mathematics department presents courses geared to the ability of any student who wishes to study math.

## Social Studies Educate for Democracy

As the citizen becomes more and more important in a democratic society, the social studies courses take on particular significance. World geography, world history, United States history, and problems of democracy give students a background in social studies so that they will have some knowledge of human society and will become creditable citizens of the United States. The social studies courses provide opportunities for youth to develop a basic knowledge of history, geography and social, economic, and ethical values of the United States and other areas of the world.

## Health Adds New Requirement

During the past year our physical education program has changed. Now two years of P. E. are required for every boy and girl attending school. A third or fourth year is optional. One semester of health must be taken during the freshman or sophomore year, and a second semester of health is required for the junior or senior year.

The program for boys and girls is similar. During the freshman and sophomore years individuals participate in group activities and body conditioning. As juniors they go into individual activities. At the end of each semester all P.E. students take a physical fitness test.

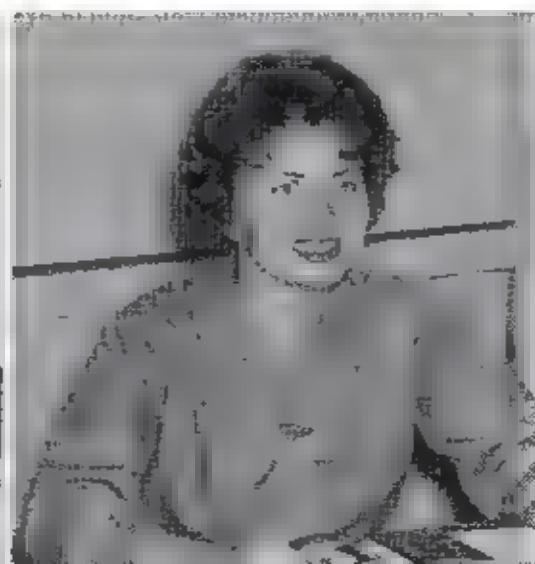

"And that's a lung," A. Morgans tells D. Moriarty and Mr. C. Haliski.

# Fine Arts

A. Engen accompanies K. Alvey, J. Briggs, and J. Baker in tryouts for spring operetta.

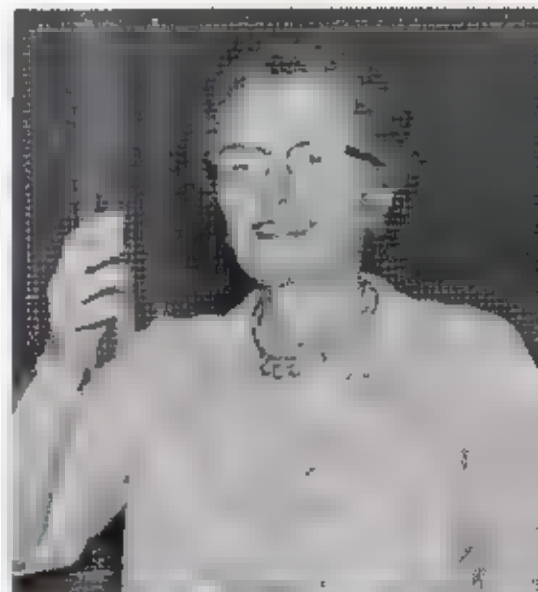

## Fine Arts Meet Needs for Expression

A composite of many small departments, fine arts satisfies the students' need for self-expression by giving them the opportunity to display their talents in art and music.

Marshfield High School now possesses one of the finest libraries in the state. Although its completion involved much crowding during the fall and winter, the students felt the finished product well-worth the wait.

# Practical Subjects Inspire Creativity

The vocational-industrial department is designed to help students learn to meet the demands of an ever-changing way of life.

Emphasis is put on learning the skills and responsibilities met in life after high school, whether it be in college or on the job. Such courses as homemaking, wood and metal shop, agriculture, mechanical drawing, and auto shop develop creativity through the use of one's imagination and required skills. The department has sought to increase the educational opportunities of students by the addition of a new staff member.

## English Department Revises Curriculum

The English curriculum provides three groupings for the freshman, sophomore, and junior students. They are assigned basic, regular, or honors English. In the senior year students select practical English or college prep.

Other programs benefit students. Reader-aids, who help teachers check themes, enable students to do more work in composition. Stu-

dents interested in public speaking are able to develop their ability to communicate through an active speech department. Those interested in newspaper writing have the opportunity to enroll in journalism classes. A reading laboratory offers a developmental program for students desiring to increase their reading ability.

# Foreign Languages

## Foreign Language Department Enriches Program of Studies

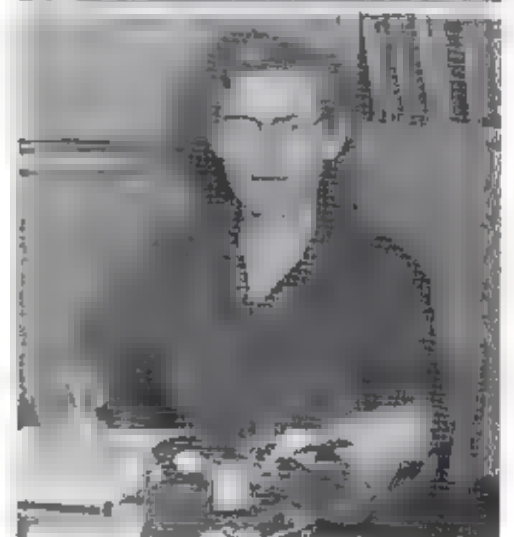

The foreign language department informs students about the customs, history, and people of a country, as well as teaching them to read and speak a foreign language.

This department offers a variety of courses. First-year Russian and third-year Latin classes were initiated this year. Spanish and French students, together with those studying Russian, profit from using the language lab.

Visitors, movies, songs, and magazines from other countries add variety to the classes and help students improve their skills, thus maintaining the aims of the foreign language department—to fulfill college requirements and to provide a cultural background.

**BERYL GOLDBLOOM**  
School Nurse

# Service Staffs

## Staffs Aid Faculty

The service staffs play an important part in keeping the school functioning properly. The secretaries manage the business of the school, the nurse takes care of the medical department, the cooks serve nourishing lunches, and the janitors maintain the buildings. Thus the teachers are free to allot their time to organizing the best of teaching programs.

L. to R. TOP: D. Hickey, J. Bracelin, D. Kokes, G. Lyons, R. Finell. CENTER: S. Martin, R. Bull, C. Pal. BOTTOM: M. Ballard, F. Mortindale, H. Clarno.

# CLASSES

Together, students must broaden their perspectives during their high school years. Life Preisser, Marshfield's foreign exchange pupil, shows Student Body President Jim Elliott her native land. This sponsorship is just one of the many ways the students broaden their horizons of knowledge and understanding.

Love

Rag,

It's really been educational  
working in N+H with  
you this last year! We  
had some rough spots  
but with you as an  
"fearless leader" we made it  
Anyway, best of luck  
always,

Lizz

## Frosh Elect Steve White President

The largest class yet to enter the halls of Marshfield, the freshmen numbered 540 this year.

After the annual Freshman Mixer, the class launched its course for the year. The first thing it did was to elect class officers. Besides participating in clubs and after school activities, the students worked hard on their talent show and the canned food drive.

Once into the full swing of things, the members of the class proved themselves to be hard workers during their first year at Marshfield.

## Sophomores Spend Year Raising Money

The sophomore class showed unusual enthusiasm and initiative with treasury-enriching activities. Using the suggestions of its activity committee, the class sponsored holly, bottle, and hanger drives. Other money making activities included a car wash. The class was particularly pleased with the \$104 netted by the bottle drive.

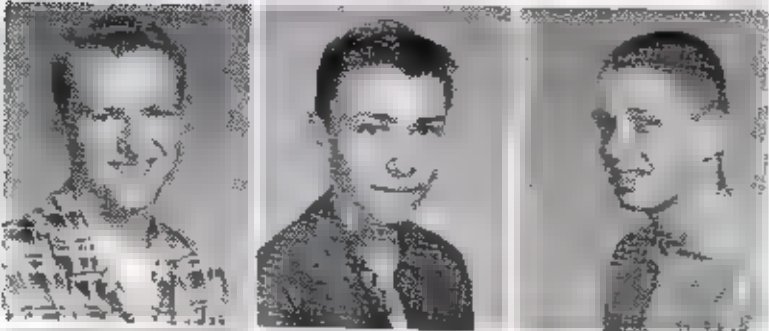

Showing their competitive spirit the sophomores participated in the United Fund Drive, having as their main money-raising project, an after-game dance.

The class of '64 also actively supported football concessions and the sophomore talent show.

## Junior Planning Pays Off

The junior officers began to plan for an outstanding year at a summer meeting.

The highlight of the year was the prom "Autumn In The Park," featuring a covered bandstand that seated the Bill Davis Combo from Oregon State University.

The juniors enriched their treasury with the selling of student directories and pop-corn and by participating in bottle drives.

The annual talent show featured acts centering around the theme "Faraway Places."

The class won the Salvation Army food drive with over 1,000 cans and helped support the United Fund Drive with a rummage sale and other projects. The juniors completed an eventful year decorating for commencement.

## Seniors End Colorful Year

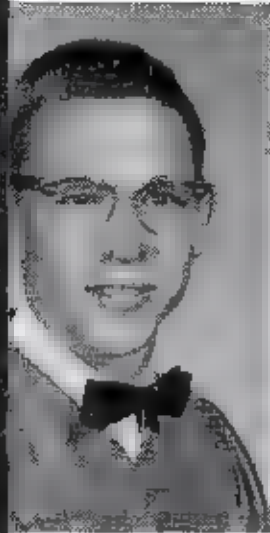

The class of '62 looked forward to commencement, but its members will always remember their exciting high school activities. As freshmen they challenged the other class to a contest in cleaning and improving the school grounds. In their sophomore year they won the March of Dimes contest by holding an after-game dance and selling the services of class members to townspeople. The highlight of their junior year was the traditional junior prom, centered around the theme "Song of the City."

This year the seniors conducted a slave sale and a bottle drive and furnished noon entertainment with the Penatones to raise money for the United Fund Drive. Money raised from another drive provided a scholarship for a worthy senior.

As usual, two traditional activities, the senior ball and the senior picnic, highlighted the seniors' last year at Marshfield. Graduation and baccalaureate at last brought an end to the fun-filled, yet academically challenging years, which saw the first class to graduate with a four-year accelerated program.

## Council Has Fruitful Year

The 1961-62 Student Council undertook many traditional and several new activities. In preparation for their positions, officers attended the State Student Council Workshop in Eugene during the summer and the District V Workshop in Klamath Falls and the community workshop in Coquille shortly after the opening of school in the fall. They officially adopted a set of aims and objectives to guide them through the year.

In addition to the traditionally-sponsored pre-registration assistance, New Students' Mixer, organi-

zation of elections, and the Inter-Council Dance with North Bend in the spring, Student Council carried on many new programs. It worked towards the installations of an apple machine for student convenience. During the spring Student Council debated awarding athletic letters to the newly-formed swimming team. A faculty-student committee investigated participation in school activities, and the new School Improvement Committee sought ways to better the school.

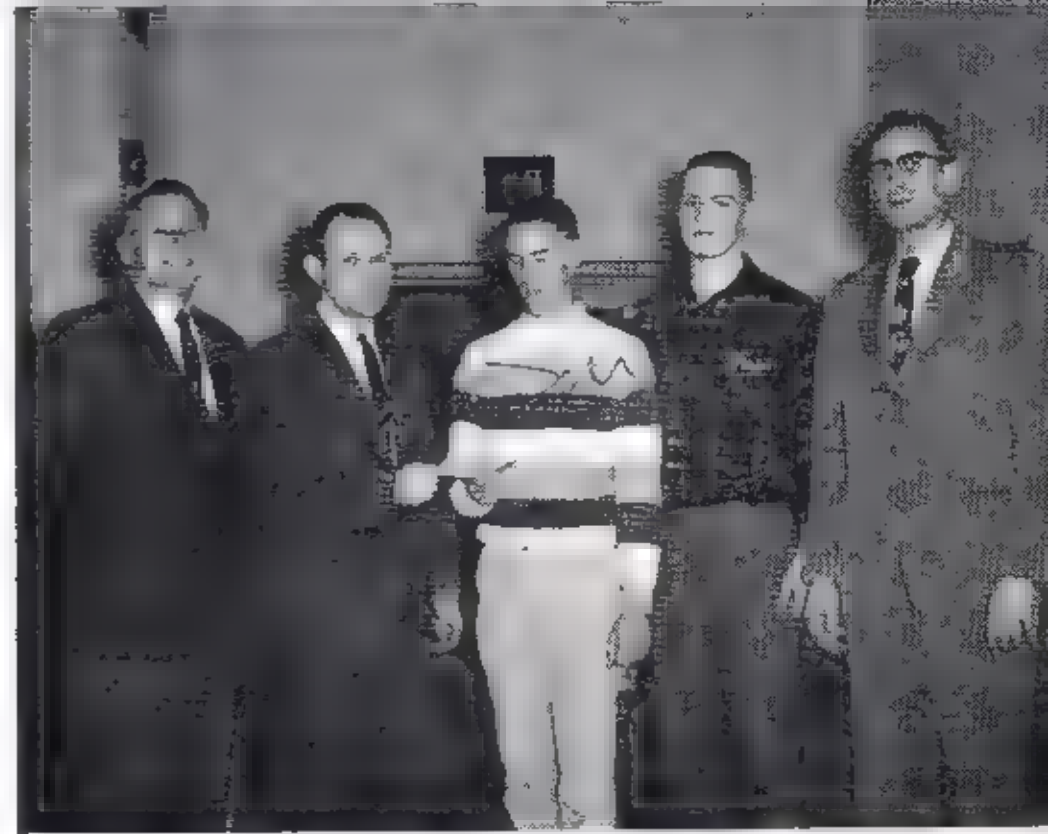

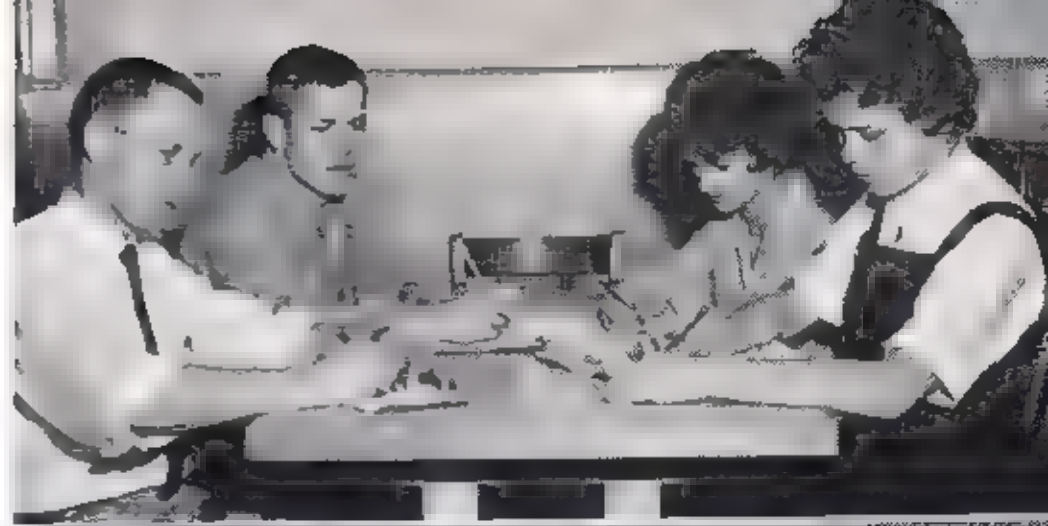

LEFT: The school improvement committee prepares a recommendation for Student Council.

RIGHT: J. Elliott, P. Ferguson, K. Douglas, J. Due, S. Wilgers and Dr. W. McLean leave for the workshop in Klamath Falls.

# Ma Hi Times

M. Beard and S. Wilgers plan story assignments.

## Communication Is Goal of Ma-Hi Times

The development of skills in communication is the main objective of the **Ma-Hi Times**. Skills in reading, writing, listening, talking, and thinking are essential for the publication of the school paper.

The selling of ads helps the reporter learn the importance of getting along with people, and in developing traits of courtesy, tact, and understanding. This year the **Times** has been more successful than ever before in securing advertisements.

Through the interview the reporter learns to gather information in a friendly manner. The **Times** believes that interviews add a human and lively touch to a news story.

In the **Ma-Hi Times** story, the reporter must present facts clearly, concisely, and objectively so that readers may form their own opinion. The **Ma-Hi Times** feature page, through satires, anecdotes and, light news stories develops individual, humorous, and entertaining writing.

**Ma-Hi Times** editorials enable the writer to use constructive criticism in a manner that develops public opinion.

With the application of these skills, the **Ma-Hi Times** develops useful qualities and character traits in staff members while serving the school and its students.

**Enlarged Annual Stresses Increases**

The theme of the 1962 Mahiscan, Broadening Horizons, stressed the new addition, new activities, and enlarged student body. To accommodate these increases, the staff added twelve pages to the book.

Color was again used in the theme section and on the end pages, which were decorated with a map of the school area and designed by the art classes under the direction of Mr. Jack Lefler. The cover was designed by Patricia Douglass. Although the formal pictures were taken by the Camera Shop, the activity shots were snapped by the photography students.

Three of the editors did most of the planning during a class period. Staff members worked after school making appointments, typing, selling advertisements and annuals, indexing, drawing layouts, writing copy, and proofreading. The staff was forced to work under a handicap this year since adviser Miss Peggy Covey underwent surgery shortly before the first copy was due and then suffered a broken arm one week before the second copy date. The book was printed by American Yearbook, and the covers developed by Smith Company.

## Society Honors Journalists

Quill and Scroll is a national honorary journalism society with membership limited to students who have done outstanding work on a school publication and who are in the upper one-third of their class.

The Marshfield chapter initiated juniors and seniors who meet these requirements through a candlelight ceremony held in the spring.

The club sponsored an annual Christmas potluck for Mahiscan and Ma-Hi Times workers, with each person bringing a humorous gift.

"See what I got!" exclaim Ma-Hi Times and Mahiscan workers as they open presents at the Christmas potluck.

K. Grotzke, I. Templeton, S. Wilgers, Mrs. I. Limberg, and K. Edgar select Quill and Scroll initiates.

## Shutterbugs Active In School Events

Although it was a small club, Camera Club continued to be one of the most active organizations at Marshfield. The members took pictures for the **Mahiscan** and **Ma-Hi Times**. To raise money for operating expenses, the club took pictures of the couples at school dances and for Christmas cards. Photographers were seen at nearly every school activity. The Camera Club not only took all these pictures, but were kept busy doing all their own developing and printing.

TOP: J. Girt works the enlarger in the photography darkroom. BOTTOM: R. Paul examines photograph handed in as a project.

## New Projects Dominate League Activities

A number of new projects dominated the Girls' League this year — a regional conference, a revamped Mother-Daughter reception, a new Sadie Hawkins theme, and a joint Christmas dance.

Adopting as its goal the promotion of friendliness among all students, the organization sought to share its ideas with other schools in the district by sponsoring a regional conference at Marshfield, at which Mary Lou Briggs was elected vice-president of the newly-organized officers.

The girls used several new techniques in promoting friendship within the student body. During friendship week, for the first semester, the League worked with student council by distributing name tags and displaying clever friendship posters. A new theme for the Sadie, "The Brontosaurus Stomp" attracted even larger crowds dressed in stone-age attire to eat rocks and root juice. The League also continued its usual program of selecting a girl of the month and girl of the year.

Helping to strengthen ties with the community, Girls' League and Key Club collected Christmas toys for needy children, and sponsored a dance to raise money for the Salvation Army Christmas program. The League again ushered parents at conference day and helped register new students.

Members promoted better faculty relations with another new program, the awarding of a rose to a faculty member who had aided the League. Much of the success of the year was due to the energetic officers, headed by Bonnie Johnson.

Created for interested art students, Art Club's many projects provide for a variety of interests. Throughout the year, members worked on such projects as the curtain and stage decorations for Vespers, a backdrop for the Spring Concert, and art work for the A-2 basketball tournament. The *Mahiscan* cover this year was designed by Art Club member Patty Douglass. Pam Anderson created a design for the mural in the art room. Members stood ready to assist in the numerous activities of other organizations.

## League Organizes White Shirts

A famous race car driver speaks to Boys' League about safe driving.

Boys' League increased its activities in an effort to make a name for itself. One of the big additions to the activities was the citation of Boy of the Month. This program was set up to resemble the Girl of the Month program, without an award since the organization lacked a treasury.

Another activity instigated by the Boys' League was the White Shirt section for basketball games. Roger Qualman and Dennis Chenoweth were mainly responsible for the successful reviving of this previously inactive group. Larry Smith directed the yells.

Boys' League gave some assistance to Girls' League in preparing for the Brontosaurus Stomp, which replaced the Sadie Hawkins Dance.

Stan Traxler, president, sought to retain the League's simplicity of operation by keeping the number of officers to a minimum while increasing the organization's activities.

## Officers Tri-M Affords Many Opportunities for Musical Expression

Using the theme of "Autume Leaves," Marshfield High Schools' International Music Honorary, Chapter Number 155, in the presence of more than 100 parents, faculty, and friends, welcomed in 31 new members during a candlelight ceremony. Eligibility for Tri-M is determined on musicianship, scholarship, service, leadership, and cooperation.

Throughout the school year Tri-M members contributed service to the community

with their many performances. They also served the school by ushering at the spring vocal and band concerts.

To raise money for summer music camps for worthy members, Tri-M participated in several fund-raising activities. In September members sold plasti-coated book covers, and in February they had charge of the coke concessions for the basketball games.

During the 1961-1962 school year the Marshfield "Golden Pirates" Band continued to serve the school and community as one of the high school's most active groups.

In the fall the Marching Band added color at all home games with either lively music in the stands or intricate maneuvers on the field. The Girls' Flag and Drill Team, a group of 32 girls, performed precision marching drills and carried brightly colored flags during the half-time activities.

On December 2, the band was host to the Lewis and Clark Symphonic Band, which played several selections at the district 9 Band Festival.

With the advent of basketball season, both the Pep Band and the Dance Band made their first appearances at the games. In February the Dance Band traveled to Eugene to participate in a dance band clinic. Band members turned quickly from basketball to working with the vocal and drama departments in the spring musical comedy.

May found the band at the height of its activities with nearly 200 students participating in the Southwestern Oregon District 7 Band Festival, held in Reedsport on May 4 and 5. On May 11 the bands entertained at the 34th Annual Spring Concert, billed as "Band Highlights of 1962." — *my solo*

The band, under the direction of Mr. Frank Leuck, completed its full year of public appearances by participating in several parades and by playing for the Commencement exercises.

## Vocal Department features many groups

The Vocal Department was busier than ever this year supplying entertainment for numerous organizations and activities both within and without the school, performing on the average of at least twice a week.

Especially busy at Christmas time, the group presented the 22nd annual Christmas Vespers featuring "The Song of Christmas" by Fred Waring. Arranged by Roy Ringwald, the production is the story of the Nativity as told in Christmas songs, carols, Biblical verses, and Bible tableaux. A percussion group added interest to the production. The enlarged student body called for an increased performance of the Vespers, and over 3,500 attended the public presentation.

The Choir and Vocal ensembles appeared on KCBY TV three times this year, twice in Christmas productions and once in a spring show.

In early March vocal groups joined with the dramatic and instrumental departments

in a new venture, the musical comedy *Mr. Crane of Sleepy Hollow*.

The spring concert and assembly in April featured the "Song of Norway" based on the music of Edward Grieg. The concert was a fast moving program with five vocal ensembles, special soloists, a piano duo, Choir, Girls' Glee Club, and Mixed Chorus participating.

A special guest group of entertainers, the Choralaires of Oregon State University, appeared at the Southwestern Oregon district vocal festival at Myrtle Point. Mr. Robert Walls, director of the Choralaires, was festival guest director.

Other performances included the November assembly and Baccalaureate. Ensemble groups were kept busy singing for town clubs and organizations. The Madrigal singers added semi-popular songs to their repertoire as well as a new name the Coral-Tones. Aiding the success of these groups were the student directors and accompanists.

J. Briggs solos for Vespers.

## Office Practice

# Students Staffs Gain Valuable Experience

Many Marshfield students perform valuable services for the school by enrolling in office practice and library classes and by volunteering to work in the cafeteria. Student librarians aid the school librarian in various tasks such as repairing books, checking out books, and receiving fines. The cafeteria staff

assists the cooks in serving lunches and cleaning up the cafeteria. The duties of the office staff consist of typing, filing, and mimeographing as well as other office work. One credit a semester is earned by both the librarians and the office staff.

## Club Gains Charter

Marshfield's newest club was formed by the students of the Russian class. It is called "Trovarischy," meaning comrades. After several weeks of work, a constitution for the club was written and submitted to the Student Council.

The main goal of the club is to raise money to help support a foreign exchange student. Through various money making projects such as selling Val-e-grams, the club was able to help the Student Council raise the money for this goal.

The titles of the officers of the club are modeled after Russian party organization. The president is called the premier. The next chief officers the vice-president, the secretary, and the treasurer-form the Troika. The chief of propaganda publicizes the activities of the club. The peace ambassador helps keep the meeting in order.

Brenda Carpenter avidly studies material in a Russian magazine.

*I hope to see you all again  
in the future. Best wishes.  
The best of luck to you.*

Along with a new advisor, Miss Monita Parrish, there were a few other changes in French Club this year. A new goal for the club, besides promoting interest in French customs and culture, was the presentation of a scholarship to the next foreign student from Marshfield. Members decided to limit the participation in the club to second and third year French students. Another new feature was a skit each meeting put on by the different French classes. These skits, conducted entirely in French, proved to be the highlights of the

meetings.

*Sincerely,  
Judy Baker*  
French Club had a variety of social activities. The first of these was a Christmas party, which was held this year at Linda Burch's house. Featured at the party were fun, games, and refreshments. The annual Mardi Gras, sponsored jointly by French and Spanish Clubs, took place in February. The last function of the year was a breakfast, put on by the sophomores and juniors of French Club to honor the senior members.

## Spanish Club Attracts Many Members

Spanish Club, under the leadership of President Stan Traxler, tried to bring to its members a better understanding of Latin American people and customs. To accomplish this, members participated in four "Spanish" parties and attended a film on Latin America.

With the addition of thirty new members in the fall, Spanish Club began its year's

activities. At the annual Christmas Party members were brought together to exchange gifts and break the traditional gaily-colored pinata. During March, Spanish Club co-sponsored with French Club the Mardi Gras for members of the two clubs and their dates. In the spring the club climaxed its year with the installation of new officers.

J. Hasley and J. Earl spotlight the curtain-lifting.

## Students Present Two Dramas

Two dramatic productions, under the direction of Mr. Bill Handshaw, hit the boards in the Marshfield auditorium this year. The first, *The Great Big Doorstep*, despite difficulties involving the flu epidemic and Christmas, was produced January 5. A comedy, the play was concerned with the trials of a family that was trying to obtain a house equal to its doorsteps, which they had found floating down the Mississippi River. Notes of comedy were added by visits by prospective suitors and relatives to the family's little shanty.

The second production of the year found the drama groups joining with the vocal and instrumental music departments to produce the first all-school musical comedy, *Mr. Crane of Sleepy Hollow*. Based on Irving's *Legend of Sleepy Hollow*, the play was set in a girls' school situation in a contemporary period but reverts to the early Dutch period. The play reached final production March 24 and 25 with a cast of approximately 120 students.

## National Forensic League

### Speech Groups Participate in Many Contests

Participation in many varied speech activities kept the members of Speech League very busy this year. These activities offered the members many opportunities to participate in the different phases of public speaking.

The Speech Club produced "Spotlight on the Pirates," a monthly television show. The programs featured school and sports news, interviews, and school talent.

The debaters, discussing "Federal Aid to Higher Education," began their season early by attending a debate tournament at Albany

in the fall. A month later they participated in the Marshfield High School Debate Tournament, sponsored by the Speech League.

Students interested in oratory attended a contest at Dallas in November.

In January the members began preparing for the Linfield College, District, and State Speech Tournaments. Other important activities were the National Forensic League initiation, the Speech League-Key Club pep assembly the Junior High School Speech Tournament, and the Speech League Assembly.

PROGRAM CHAIRMAN: Mrs. G. Haug

National Honor Society was chiefly organized to honor outstanding seniors and juniors for scholastic achievement, leadership, character, and service. In the fall and again in the spring, students were tapped for initiation into NHS. Prospective members were selected by the club from students of high scholastic achievements and then screened by a faculty committee with the membership being limited to fifteen per cent of the senior class and ten per cent of the junior class.

The members of NHS continued to be of service to the community by ushering for Community Concerts, Christmas Vespers, Baccalaureate, and Commencement. By selling loyalty ribbons and sponsoring an after-game dance, the club earned money to provide a scholarship for a worthy senior. As their primary project for the year, the members, under the direction of Mrs. Gretta Haug revised the NHS constitution.

D. Cottel accepts his membership card and pin from President R. Qualman at the NHS initiation.

## Tri-Hi-Y Conveys Christian Spirit

Tri-Hi-Y is a service organization comprised of junior and senior girls. Its major goal is to promote Christian ideals throughout the school. The girls attend various churches once a month and perform such service projects as making Christmas favors for the Mercy Home, Christmas caroling at the hospitals and the Mercy Home, and helping in the March of Dimes drive.

Money making projects included working on concessions, selling coffee and pie on conference days, selling pennants, and holding carwashes.

Tri-Hi-Y and Hi-Y jointly sponsored the Spring Ball and worked together in Youth and Government.

Tri-Hi-Y shows Christian spirit by making favors for Mercy Home.

## Hi-Y Serves School and Community

Hi-Y is a youth group whose purpose is to create, maintain, and extend high ideals of Christian character.

About 40 members were in this very active service club. Hi-Y, an affiliate of the YMCA, carried out many different service projects during the year. Even before school started, Hi-Y was working towards helping others. Members served coffee at the District 9 teachers potluck. At football and basketball games, Hi-Y sold coffee and doughnuts. This money

went to CARE, foreign student fund, United Fund, and World Service.

Hi-Y and Tri-Hi-Y sang Christmas carols this year. Both of these clubs also sponsored the Spring Ball. Hi-Y, as a group, attended a different church every month. They also selected five boys to attend Youth and Government at Salem. When the Red Cross bloodmobile came to Coos Bay, Hi-Y helped ready it for blood donations. The club ended the school year by giving a scholarship to a deserving college-bound student.

Youth and Government committee discusses bill on compulsory school insurance laws.

Hi-Y initiates twenty new members.

## Key Club Earns Name As One of School's Most Active Organizations

Sponsored by the local Kiwanis Club, Key Club is an organization dedicated exclusively to school and community service.

The members spent an active fall distributing game schedules to local business establishments, taking tickets at the games, and passing out programs at football games. Key Clubs annual canned food drive netted over 4,000 cans of food. The organization contributed to the town's Christmas spirit by decorating Coos Bay's parking meters. As a valuable service to all students, the Key Club conducted the fire drills. Still another important activity on the year's program was the aiding of the installation of a new Key Club in Coquille. A new activity was the Pep assembly presented jointly with Speech Club.

A close contact was kept with the parent organization by sending a member to the Kiwanis Club luncheon each week. The Kiwanians in turn sent representatives to the Key Club meetings.

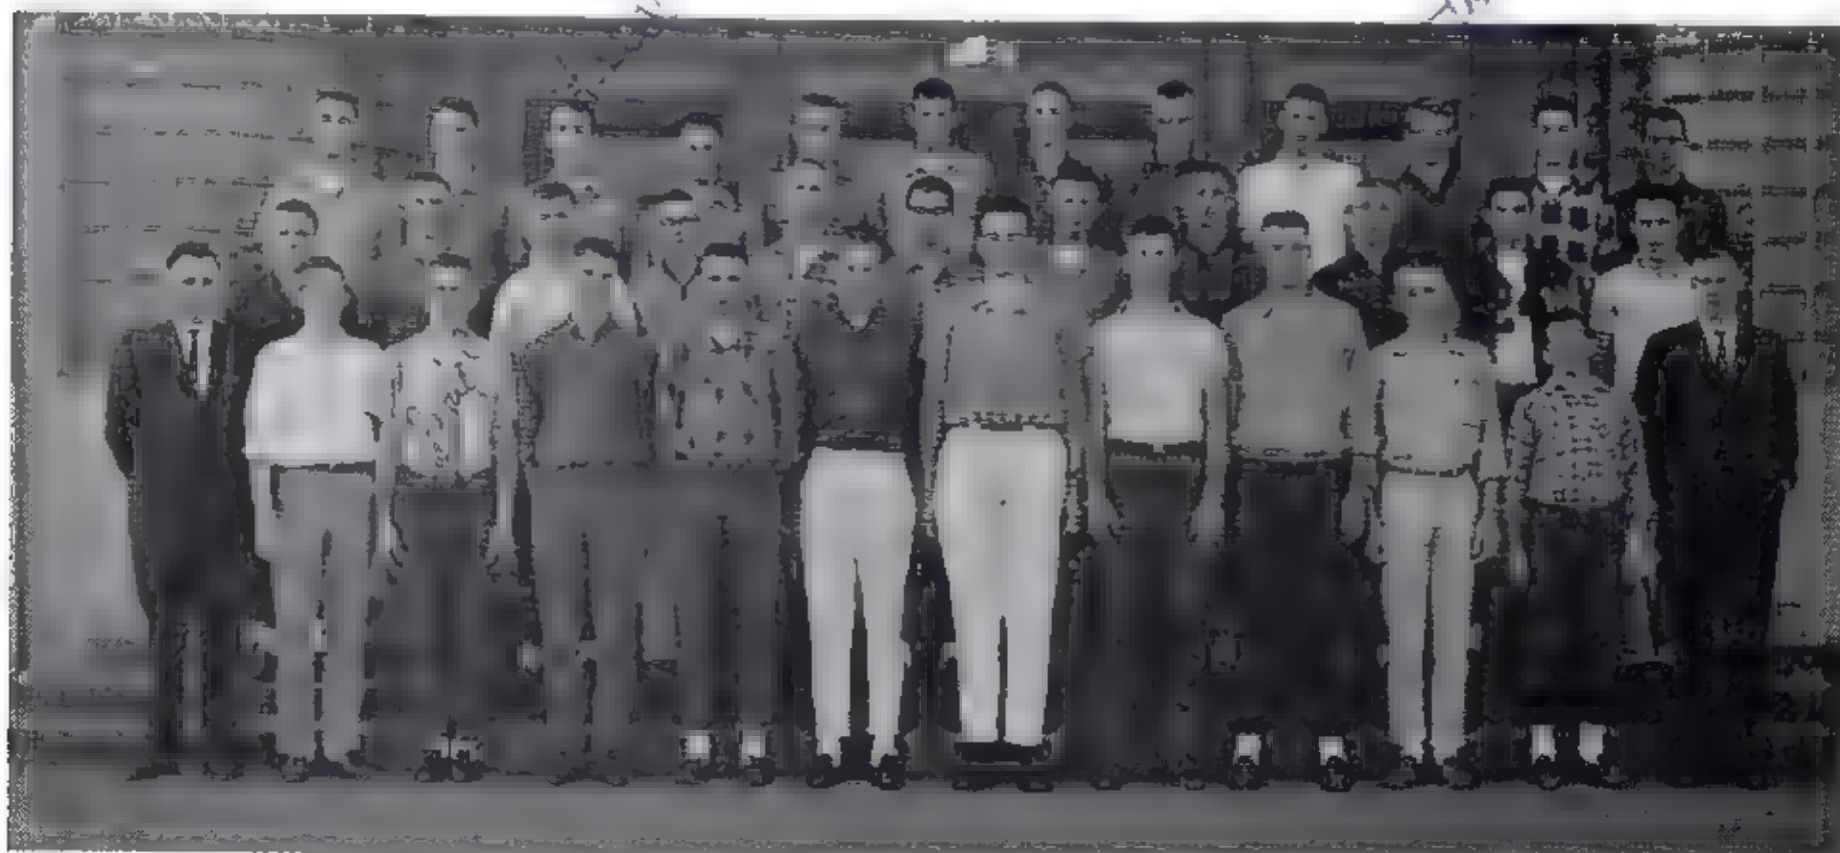

As the year drew to a close, delegates traveled to Redmond for the state convention.

Mr. Y. Dean

## IRL Promotes World Understanding

The International Relations League is an organization established for the purpose of recognizing, discussing, and evaluating problems and establishments, among them the United Nations, that are of grave concern to the entire world. The Marshfield club sponsored two ice cream concessions which financially aided its annual meeting with the University of Oregon foreign exchange students on January 3 and the Medford trip five members that made to the Regional conference on disarmament.

The club treasury also helped support the delegates to the annual IRL Convention at the University of Oregon campus, where they discussed the problem of disarmament.

The club jointly participated with National Honor Society in presenting a pep assembly on January 26 with "Cinderfellow" as the theme. As in the past, members satisfied their minds as well as their bodies at a foreign food banquet sponsored in April.

Excited IRL members depart for Eugene convention.

Delegates to the I.R.L. convention in Medford discuss the trip with advisers.

Foreign exchange students from University of Oregon relate experiences to IRL members.

'This is Tanganyika,' points out a visiting exchange student.

IRL member, Richard Van Calcar, asks visitor about school life in Tanganyika.

Botta, R. MacDonald. ROW 3: A. Johns, D. Strebendt, O. Chapman, Mr. L. Kokes, D. Cole, J. Vaughn, B. Archer.

## F.F.A. Commended by Governor Hatfield

Marshfield's Chapter of Future Farmers of America undertook many activities during the school year. Among those associated with the lighter moments, members challenged the Girls' Athletic Association to a game of Donkey Basketball. On a more serious level, the F.F.A. chapter sent judging teams to the Coos and Curry County Fairs, the State Fair, and the Pacific International Fair.

Still another project was a fallout-shelter program, which involved the constructing and furnishing of a bomb shelter. The shelter was prefabricated in the ag shop and later installed in the backyard of Leonard Kokes, the vocational-ag instructor at Marshfield. The chapter received a certificate of achievement from

the office of Governor Mark O. Hatfield for its participation in the Civil Defense program.

Other activities included David Messerle's participation in the District Public Speaking Contest held at Roseburg and the District-Rogue-Columbia Skills Contest held at Marshfield in February with nine schools judged on useful farm skills. Jim Ross, past state treasurer and former president of the Marshfield F.F.A. awarded Wayne Botta a registered Jersey calf with which to start an F.F.A. dairy project.

F.F.A. awarded Wayne Botta a registered Jersey the annual Barnyard Stampede and holding its banquet in the Marshfield cafeteria.

## Future Homemakers Trick or Treat

Future Homemakers of America practiced their motto, "Toward New Horizons" throughout the year. The new membership requirement of one semester of home economics, replacing the usual written examination, brought the membership to a record one hundred girls.

New members were welcomed at a backwards dinner to which the girls wore their clothes wrong side out and backwards. In October, the girls trick or treated for UNICEF.

Money made by selling mistletoe and taking charge of ice cream concessions at basketball games went to the support of a Korean orphan. The girls babysat during Vespers and made favors for the patients at Mercy Home. They cooked and served a Thanksgiving dinner for the Hi-Y banquet.

During FHA week in April, the members sponsored several projects, including the Mother-Daughter Dessert.

E. Brewer wonders who is babysitting for whom.

## F.H.A.

A. Flanagan cheerfully donates to FHA UNICEF collectors.

## Future Teachers Gain New Advisor

The growth of teaching over the past decades and the need for more and better teachers has been greatly emphasized in the work of FTA. Under the advisership of Mr. Roy Culley, the "Marjorie Tedrow Chapter" of Future Teachers of America enabled interested juniors and seniors to gain a better insight into the teaching profession. Toward the end of the year, seniors learned of the methods and problems of the teaching profession by acting as observers and student teachers in grade school and junior high school classes. Work with various youth groups also provided applicable experience for numerous FTA members.

During the summer many of the FTA officers attended a workshop at the Oregon College of Education, and in the fall several delegates attended the state conference.

In addition to being an interest club, FTA serves the school by selling tickets at games and co-operating in the planning of pep assemblies.

The organization handled the business and technical portions of the Faculty Follies, an annual program presented by the teachers to raise money for scholarships for prospective teachers.

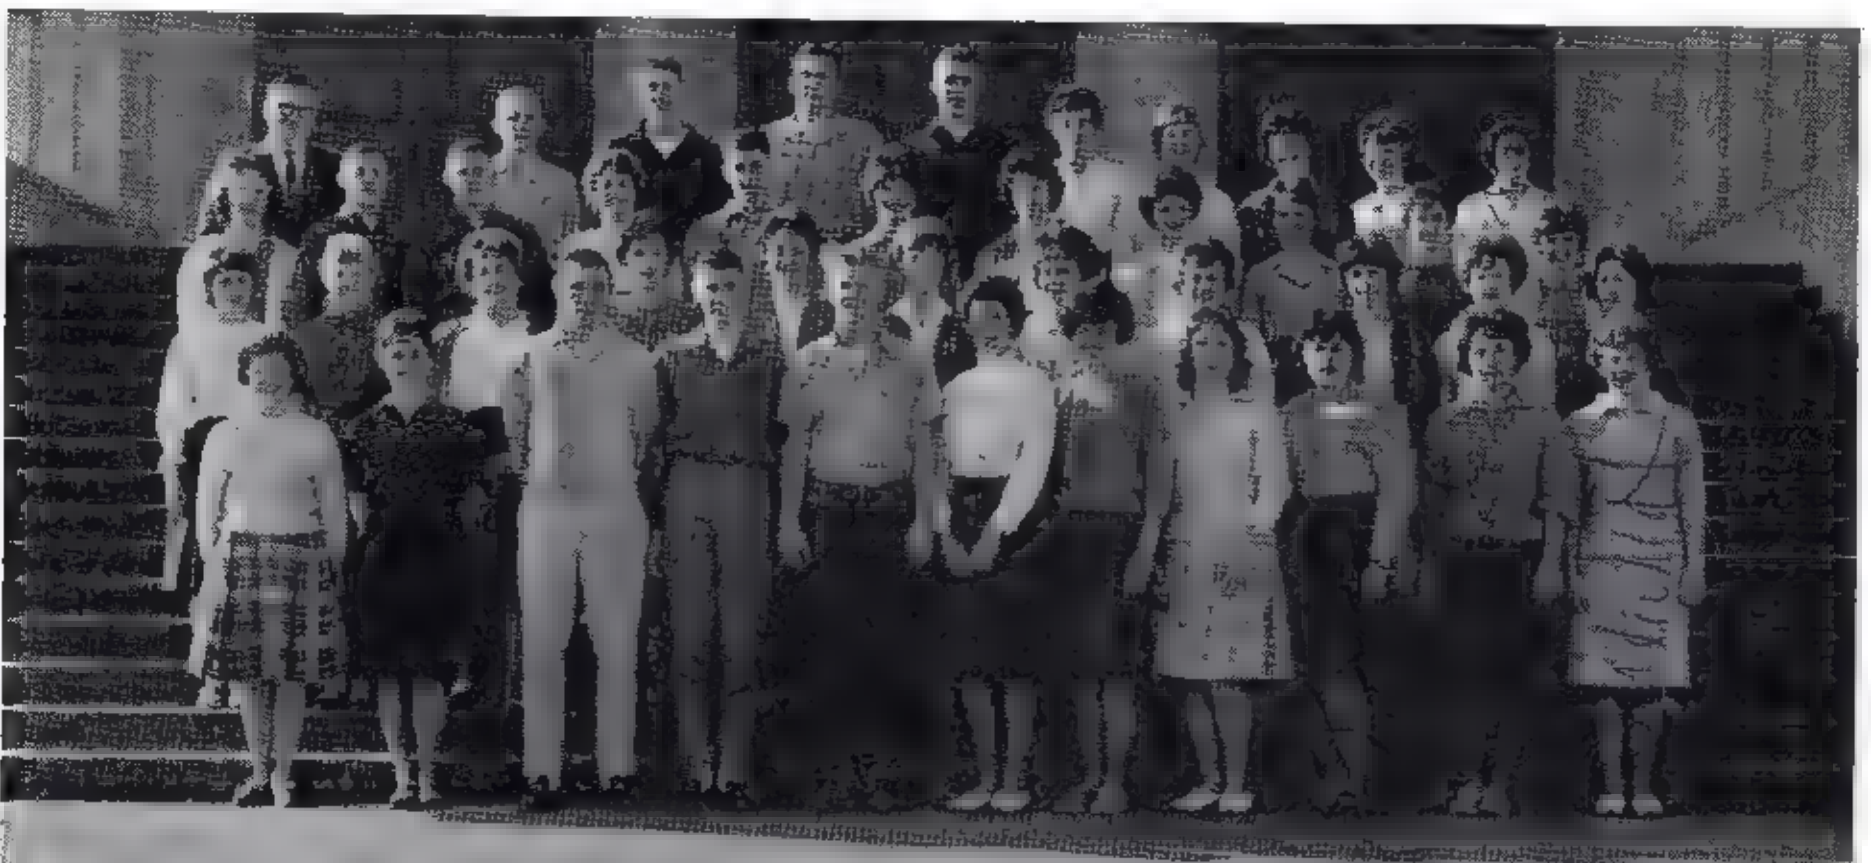

The club also held bottle drives and other fund raising activities in order to give deserving senior members scholarships to further their teaching careers.

## Science Club Swings Into Action

Future Scientists of America is one of Marshfield's newest clubs. It is backed by the National Science Teachers Association and seeks to promote interest in the various fields of science.

At FSA meetings the members watched science films and listened to guest lecturers. Among the club's activities were occasional field trips. Dr. Baldwin from the geology department at the University of Oregon, conducted a special field trip during which the students studied the geology and marine biology of the Bay Area. This spring the club sponsored a local high school science fair in which a \$50 War Bond was awarded to the best display and then sent delegates to the FSA regional and national conventions.

## Rally

Rally girls introduce the new alma mater at an after-game dance.

Miss K. Lundgren, Adviser

Prancing members rally during halftime while Pep Club takes a break.

*Look who's out of step, as usual!*

## Rally Institutes New Pep Assembly

"Go, Get-Um, Pirates!" was the plea of seven eager rally girls and two lively yell leaders this year. Anxious to spur the Golden Pirates on to victory, these girls spent many long hours working out new yells and dance routines. Along with this major task they were in charge of all the football after-game dances and the pep assemblies.

Although the football season was damp, the spirit certainly wasn't. In spite of the weather, the rally, along with Pep Club and the marching band, created an ebullient atmosphere at these games. The Rally and Student Council conducted a Pirate Grand Finale Week before the ever-important North Bend game. This week consisted of numerous activities, such as a "bulldog burial" and a coronation dance at which the alma mater was first introduced. To complete the football season, the Rally served at the annual football banquet.

Basketball proved to be equally as exciting. During the season the rally presented

several half-time shows and another Homecoming week. With the aid of a newly-formed Boys' White Shirt Section, under the direction of Larry Smith, Roger Qualman, and Dennis Chenoweth, the Rally continued to help promote the spirit of the students.

Rally instituted a new program of working with clubs to present the pep assemblies.

"Ready-o, let's go!" was the cry of J.V. yell leaders, J. Jordan and K. Nelson as they rouse spirit at games.

Rally members brave the rain to cheer (?) Pirates to another football victory.

# Rifle Club

ROW 1: M. Simmons, G. Bridges, C. Bovey, S. Barney, J. Rood, R. Jussila, D. Sullivan, J. Holmes, B. Matthews, R. Orr. ROW 2: Mr. J. Wampole, S. Gray, D. Zygaloski, T. Sandin, F. Ranz, J. Mateski, D. Buchanan, B. Warzecha, T. Aerondan, D. Wilkes, T. Peachee. ROW 3: F. Ebi, J. McDaniel, T. Shigo, J. Clark, R. Terry, R. Lanz, R. Temple, C. Kirkwood, C. Reed, T. Knapp, C. Alchison, L. Riddle.

## Rifle Club Shoots Targets, Gives Turkeys

Rifle Club placed new emphasis this year on perfecting the four basic shooting positions: prone, sitting, kneeling, and standing. Members learned how to shoot safely and correctly after school at the rifle range.

Dues, concessions, and turkey shoots helped pay for the ammunition used by members during practice sessions.

## Girls Show Enthusiasm

A spirit of good sportsmanship returned to Marshfield with the girls who attended the State G.A.A. convention. Early in the year President Susan Denny created enthusiasm at the traditional G.A.A.—F.F.A. donkey basketball game by her determination to ride a "bucking donkey," even though the game did turn out to be a tie. The G.A.A. continued to have fun with a play night early in the fall.

Winter months found the G.A.A. girls stuffing themselves at potlucks and participating in activities such as bowling, tennis, and tumbling. The girls were also called upon to usher at football and basketball games. Spring months were filled with activities such as sweatshirt sales, car washes, and a mother-daughter playnight. In April North Bend, Myrtle Point, Reedsport, Bandon, and Coquille G.A.A. girls attended the regional playday sponsored by Marshfield.

The girls closed the year by participating in a spirited all day cook out at the sand dunes.

# Pep Club

## Pep Club Swells Membership with Frosh

Under the able leadership of its officers, Pep Club strove to promote school spirit and back the athletic teams.

With the over-flowing number of freshmen, Pep Club continued to increase until, with 215 members, it became one of the largest in the state. At weekly meetings the cabinet members and squad leaders planned the

club's projects, such as potlucks, the selling of mums for homecoming, and pop-corn concessions, and devised its various half-time routines during the football season.

The girls added a bright note to their purple uniforms with gold tennis shoes and earmuffs. Squad leaders appeared in gold corduroy jackets.

G. Crabough evades tacklers for much needed yardage.

## Pirates Make Yardage But Lose Games

Three more inches and the Marshfield Pirates quite possibly could have been district champs. That's all that separated them from victory in the crucial Roseburg game. Trailing by six points late in the game the Pirates had the ball on the Indians' three yard line. On fourth down Roseburg's Doug John jarred the ball loose from Buc signal-caller Jim Elliott. Doyle Gamble scooped it up and fell forward three inches from the first down. The Pirates' only other district loss came on the following weekend at the hands of the Springfield Millers. The Bucs definitely let down after the great effort against Roseburg.

The Bucs started the season by losing a close one to Klamath Falls. On the next week they turned

in a fine effort against top-rated Medford only to lose on a fumble. Yardage-wise, they pushed the Tornados all over the field. The Bucs were housed on the Tornado 24 yard line with second and eight when end Gibb Mitchell grabbed a Pirate fumble and raced 70 yards for the game winning touchdown.

Marshfield entered district play by winning three straight before running up against Roseburg and Springfield. The Bucs ended their football season in great fashion by trouncing arch-rival North Bend.

The Pirates' overall season record was five wins and four losses. In their four losses the Bucs proved that it's points and not yardage that win ball games. They out-rushed the victors 838 yards to 371.

## Coach Hoffine Praises Enthusiastic Team

The J.V. squad finished this season with a 5 won and 2 lost record, losing only to Roseburg.

Coach Bruce Hoffine praised the team, "It was one of the best J.V. ball clubs. If the boys don't lose their enthusiasm for the game, it will make a good varsity squad." Coach Hoffine also commented that the team had a good sized line and a fast backfield, both of which contributed to the team's success.

At the football banquet on November 27, 1961, the Most Valuable Lineman award was presented to Chuck Howard; the Most Valuable Back award to Ray Chard, and the Most Improved Player award to Gary Magnuson. Steve Bingham and Chuck Wall were close contenders for the lineman award, and Rick Rehwoldt was strong in the backfield.

## Frosh Boast Perfect Season

The Frosh football team really had a season — every game a victory. Coach Walt McClure stated that it was the best group of boys Marshfield has had over a period of five years. A number of points made the team a success. Among them were speed, the size of the players, the number of boys out, the scholastic average of the boys, and their spirit. Mr. McClure added, "One of the most important factors in future of Marshfield High School's football team will be how many of these boys maintain an active interest in sports."

## Pirates Take Second in State Tourney

For the third time in the last four years, Marshfield took second place in the state tournament, losing to Grants Pass 62-54 in the final game. Picked to place no better than fourth in District 5, the Marshfield Pirates had one of their best seasons with 22 wins and 4 losses. The quintet opened the season with a string of ten victories before hitting a midseason slump at South Eugene.

Although Marshfield started the season by toppling its traditional rivals, Grants Pass and Medford, most forecasters felt that the lack of a tall man did not hold much promise for future victories. The success was in a large part due to a strong defense and team play, helped by the sharp shooting of Gary Crabaugh (second team All-State) and Stan Traxler (second team All-Tournament). After dropping the South Eugene game, the Pirates seemed to be in some trouble as they lost the next two away games. However, help from other teams in the league and success on the home floor pulled them out of a three-way tie into the first district spot. The outlook was still not bright in the next to the last of the season's games against Roseburg as Marshfield trailed by five points with approximately a minute to go. Quick ball hawking by Dean Southam gave Stan Traxler the opportunity for the winning shot with seconds to go.

In state tournament play the team was victorious over Newberg, second place in the TYV League, and went on to upset third ranked Klamath Falls and second ranked Cleveland before losing to Grants Pass.

# Junior Varsity Basketball

L. to R., ROW 1: J. Girt, L. Hartley, D. Goude, T. Johnson, J. Fisher. ROW 2: Coach W. McClure, J. Briggs, B. Atchison, L. Byer, T. Falls. ROW 3: D. Milburn, D. Cogley, E. Fredenburg, J. Mahaffy, G. Koivunen, D. Anderson.

## J.V. Take Second Place In District Play

Despite the loss of two first string players, the junior Bucs piled up an 18 win 4 loss season record and a 12-4 district record. This record put the J.V.'s in second place in district 5-A-1 play, behind South Eugene with a 14-2 record.

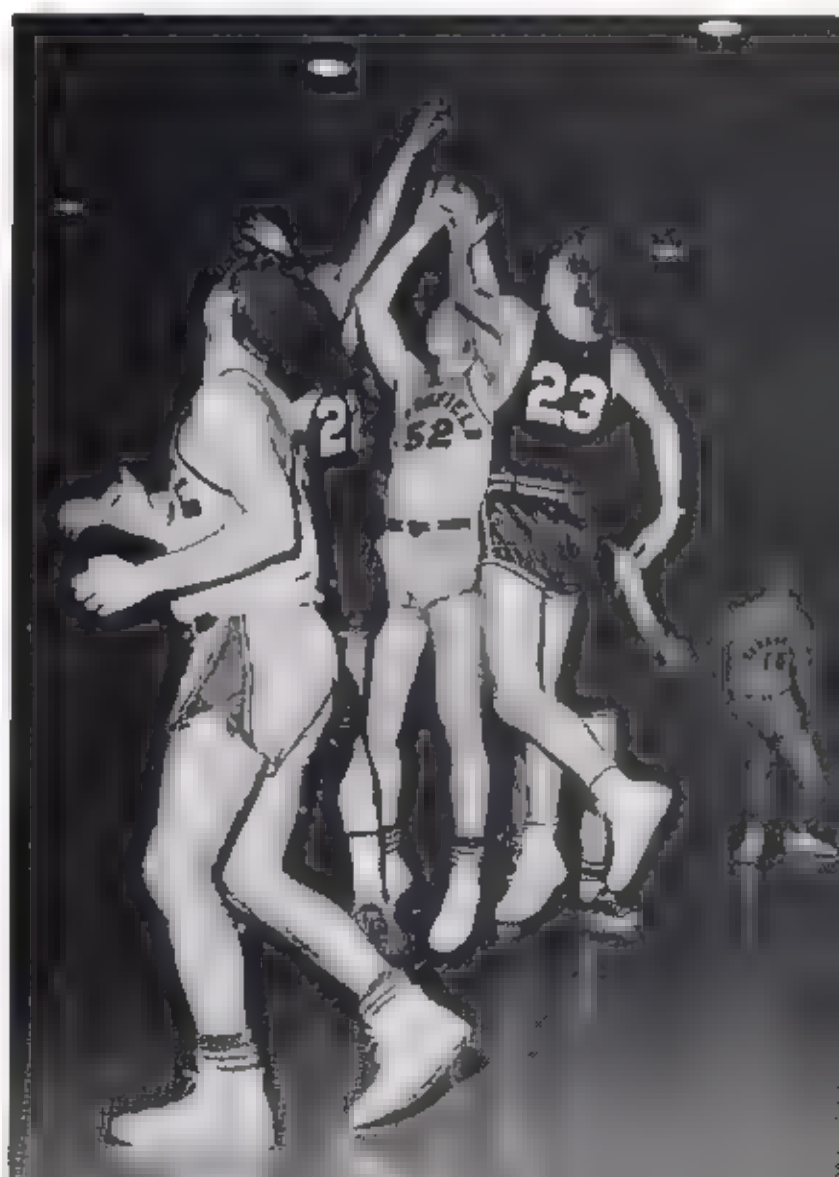

This year's squad was especially strong in rebounding. The J.V. team also had very well balanced scoring with Ray Chard and Gene Koivunen being the top scorers. The top rebounders were John Mahaffy and Dave Cagley.

The balance and ability of the team was displayed when they beat the Brookings Varsity, 50-44, at Brookings.

Coach Walt McClure felt that the team members showed much improvement from their sophomore year. Mr. McClure further prophesied, "If they work as hard between now and next season as they did this season, we will have a good representative group."

J. Mahaffy goes high for a shot in spite of squeeze play by opponents.

## Sophomores Split With Opponents

Coach Jim Popp and the sophomore Bucs, winning eight of sixteen games, had a fairly successful season. Around mid-season Terry Johnson and Jerry Fisher, two starters, were moved to the junior varsity, and the team had to be regrouped. The leading scorers, Hal Smith and Joe Baker,

helped to make the games exciting to watch. With Mr. Popp behind them to correct their mistakes, the players improved throughout the year. Important for the future, everyone gained much experience and should be a big help to the varsity and J.V. teams.

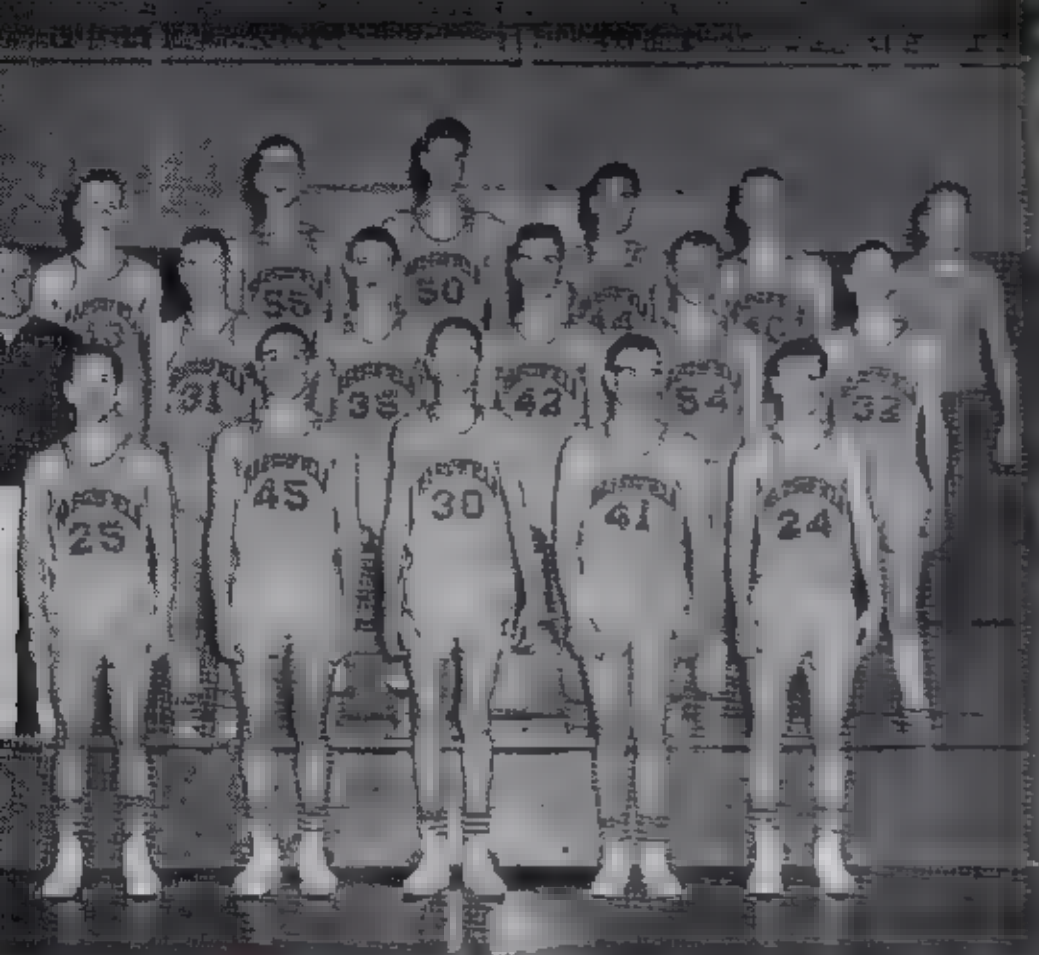

H. Smith tries a corner shot.

J. White rebounds for the sophomores.

## Frosh Have Successful Season, Winning

The freshman basketball team had a very successful record this season. The quintet finished with 15 wins and 3 losses. The five first-stringers—Ted Loftus, Bill Hessler, Ron Caderette, Nick Nylander, and John Duncan—showed exceptional shooting and rebounding ability as shown by their

fine record. The coaches, Ray Davis and Tony Koreiva, were successful in teaching these boys the fundamentals as well as the finer points of the game. According to Coach Davis, "This has been one of the best freshman teams I have coached since coming to Marshfield High School.

## Pirates Show Strength

TOP: D. Dandes backhands ball.  
BOTTOM: D. Rubow blasts ball over the net.

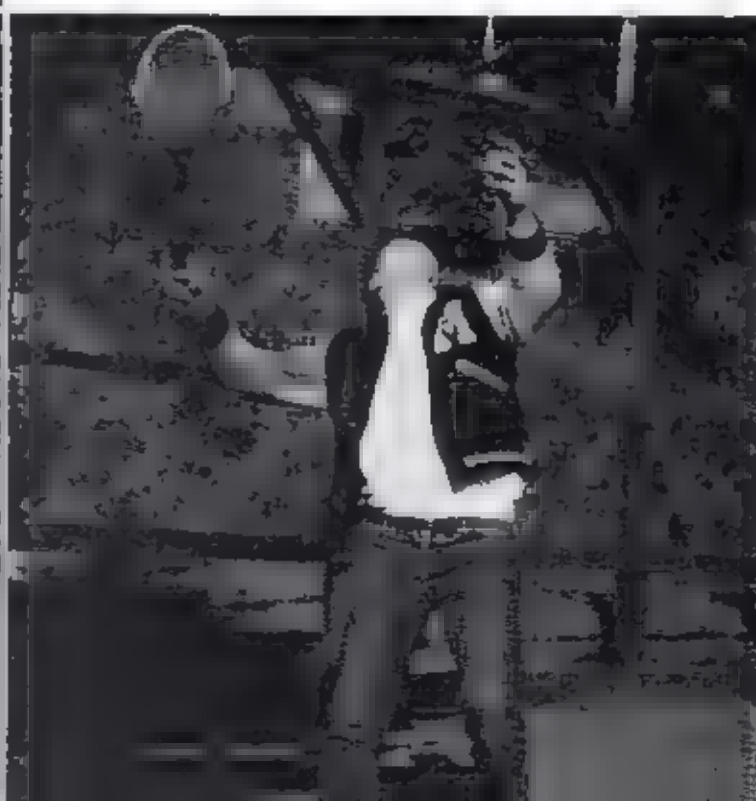

The Pirate tennis team, led by returning lettermen Don Rubow, Don Landes, Ron Landes, and Tom Hensler, was heavily favored to win their district. Other boys who were counted upon to strengthen the team and who had had at least one or more year's experience were Jim Sterup, Paul Ferguson, Roger Hunt, and Darryl Anderson.

The Buc netmen were instructed this year by a new tennis coach, Lewis Davies.

T. Hensler prepares to demonstrate his serve.

R. Landes lobes ball to opponent.

# Golf

M. Bostwick uses iron for first tee-off.

## Team Faces season Lacking Depth In Experience

This year Mr. James Popp replaced Mr. Chester Haliski as head golf coach. However, with the return of only two lettermen, Gary and Larry Hartley, and few boys with any experience, golfing hopes did not loom too high. Practices and home matches will be held at Coos Country Club.

M. Cox tries a short putt.

L. to R., ROW 1: C. Haliski, M. Bostwick, B. Grier, M. Maguire, M. Dodd, C. Laird. ROW 2: T. Johansen, J. P. Brown, J. Baker, D. Chandler, L. Hartley, R. Newell.

L. to R., ROW 1: B. Cook, E. Manders, H. Gilfillan, L. Byer, B. Dedmon, J. Mateski, B. Scoville, D. Fuller, S. McNutt, J. Cheney, C. Winters, J. Brandt. ROW 2: P. Reeves, M. Smith, D. Gamble, L. Dedmon, B. Butler, J. Button, D. Hankwitz, J. Duncan, D. Parrish, B. Green, C. George, J. Weeks. ROW 3: A. Buckingham, D. Ray, M. Kinney, J. Kessler, S. Chamberlain, H. Smith, K. Mulkins, R.

Williams, J. Liljeberg, T. McMillon, S. Pal. ROW 4: J. Woodward, B. Francisco, J. Burles, V. Bloomquist, D. Hensler, J. Keim, G. Lucas, G. Olson, D. Spencer, J. Layton. ROW 5: B. Cramer, T. Shigo, J. McNeas, R. Buckles, B. Riscoll, M. Hurst, J. Bingham, S. Summer, S. Grey, F. Williams. ROW 6: D. Goude, J. Mahaffy, D. Cagley.

## Frosh, Soph Turnout Large

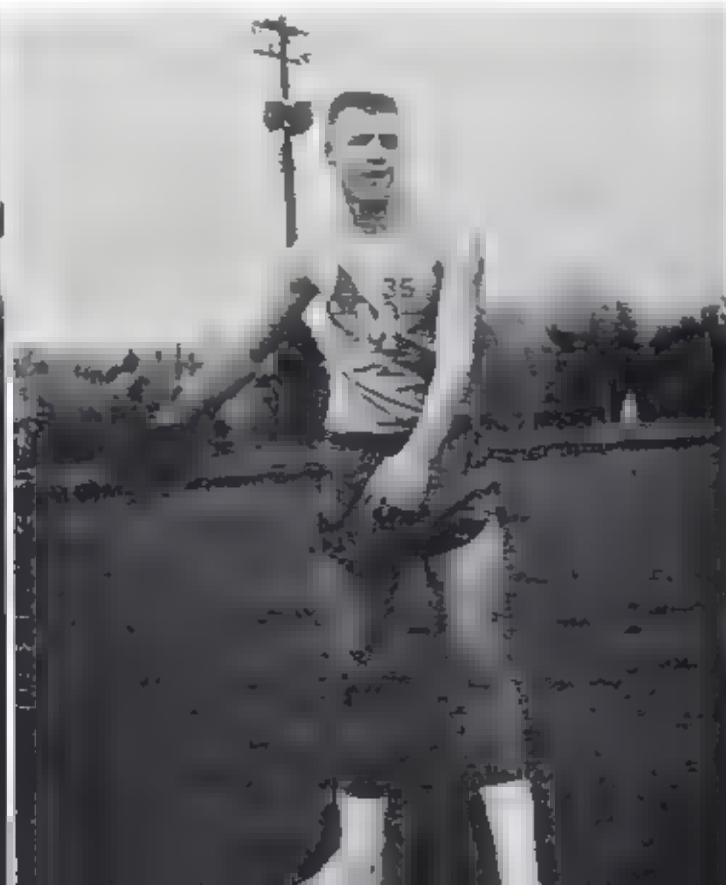

Although its ranks were thinned by the addition of baseball to the school's sports, the track turnout was good this year. Coach Walt McClure had fourteen lettermen returning from last year's team. Around this nucleus the track team was built with a large turnout of freshmen and sophomores helping the team in depth.

Top prospects included Dean Southam in the hurdles and 440, who placed in the previous district

meet; Gary Crabaugh in the sprints, who also placed in the district; and Stan Traxler in the discus. Other lettermen were Bob Mathew, javelin; John Mahaffy, shot and discus; Bob Scoville, 440 and broad jump; Doyl Gamble, 440; Dave Cagley, 880; Ernie Manders, shot and javelin; Larry Byer, 880; Bud Walsh, hurdles and high jumps; Mark Hurst, 880; Rick Buckles, mile; and Fred Williams, the mile. However, none of the returning lettermen had State meet experience.

D. Southam takes a low hurdle.

S. Traxler practices throwing the discus.

Coach Walt McClure was assisted by Mr. Ray Davis and two coaches new to track, Mr. Bruce Hoffine (switching from tennis) and John Johnson (up from Junior High).

The Haywood Relays and the district meet were the highlight of the schedule. In the District Olympic-type qualifications were used for the second year.

D. Gamble practices for 440.

Miler R. Buckles puts forth an added effort as he nears the home stretch.

J. Mahaffy readies a mighty heave.

## *Toughest in the State* Five Wrestlers Qualify For State

This year marked several firsts for the Marshfield High wrestling team. They defeated Roseburg wrestling team for the first time in the history of wrestling at Marshfield, staged two complete wrestling matches with North Bend on television, and secured a \$2400 foam rubber wrestling mat.

The strength of the team lay with its seniors this year. Five seniors, Bill Jones, Howard Patnode, Don Jenkins, Les Engle, and Bob Mathews placed first in the district meet in Eugene to qualify for State, giving Marshfield a good representation in Corvallis March 9, 10.

### Marshfield Adds New Sport

Although the Marshfield swimming team was defeated in every meet, they did have three boys and four girls participating at the state swimming meet in Beaverton. The boys, Bill Gansberg, John Garner, and Don Counce, had to qualify at the district swim meet and the girls, Becky Hanen, Nancy Knutson, and Candice Barnes, were chosen by their coach to attend this meet.

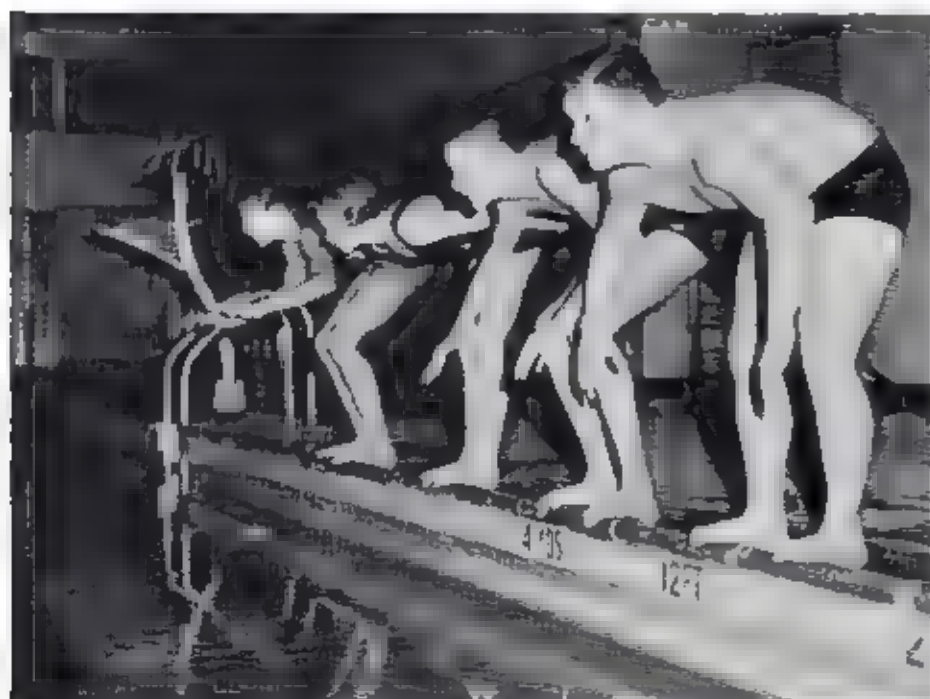

Mr. M. Popovich, of North Bend, took the re-

sponsibility and time to coach this team in its first season.

Their first meet was with Medford, Klamath Falls, and North Bend. They also had meets with North Eugene, Sweethome, Reedsport, Grants Pass, and Springfield.

There was a big turnout for the team but many had to be eliminated. With its own Coach next year, the team hopes as many students will be interested in this new sport next fall.

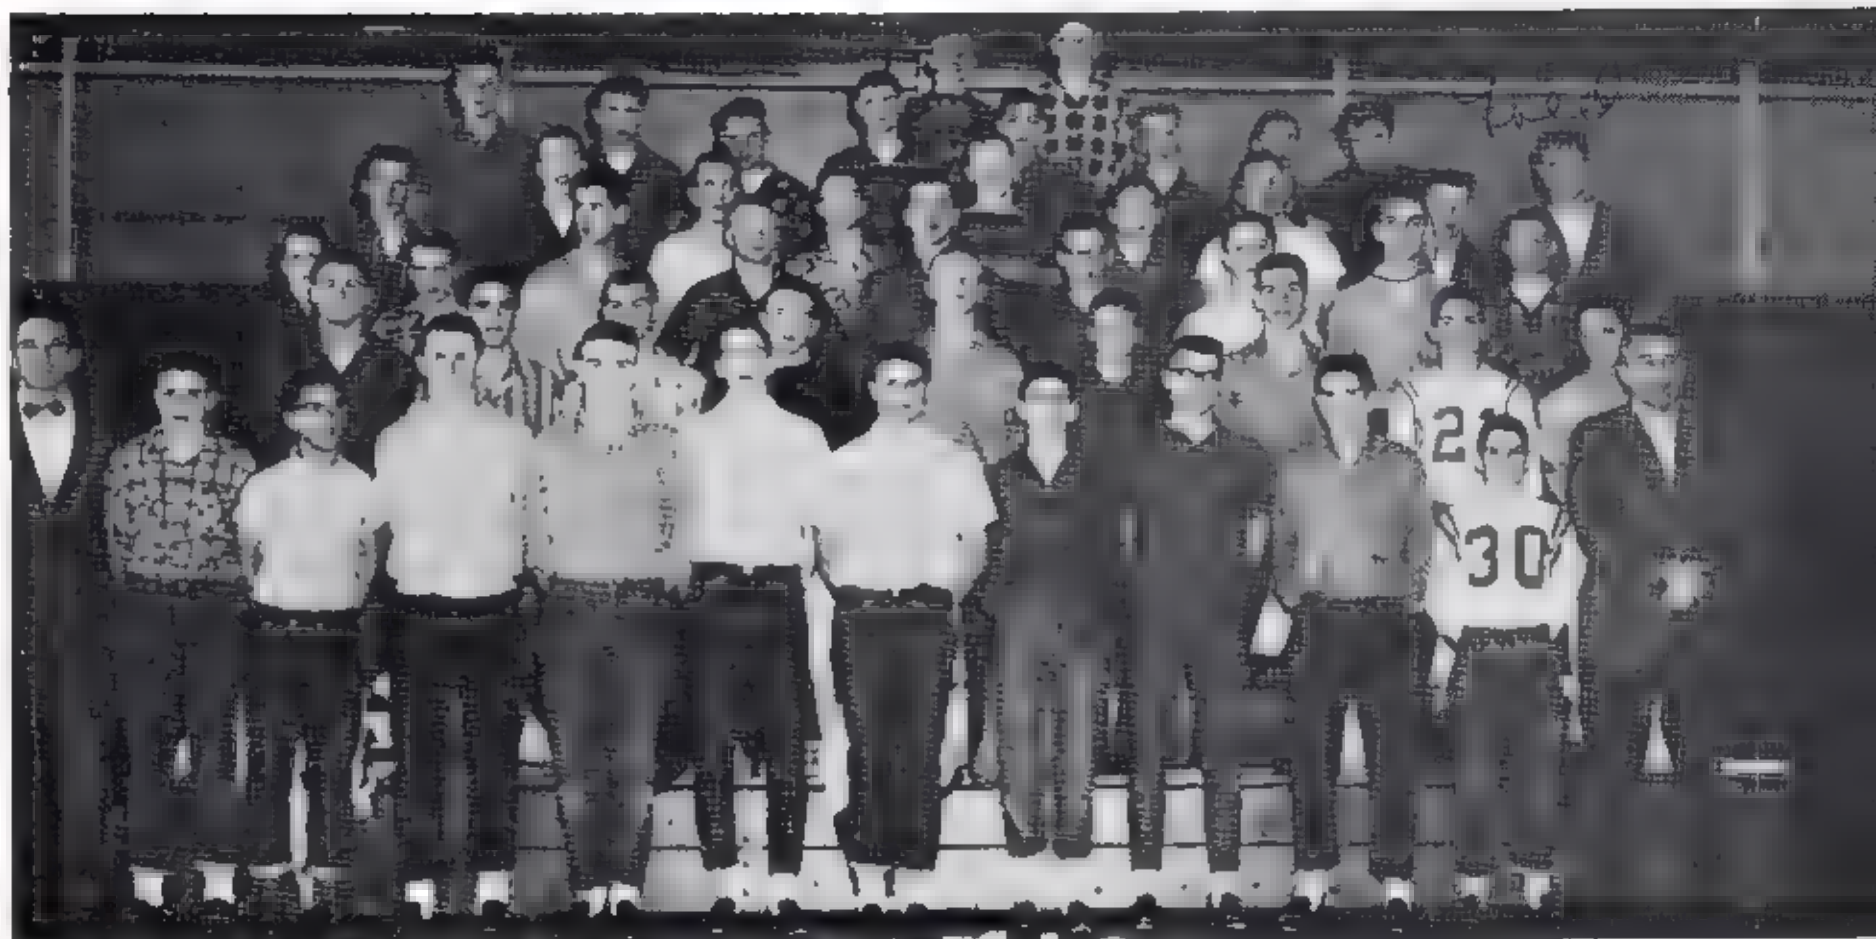

B. Gansberg, B. Hanen, D. Counce, and J. Garner are poised for splash.

J. Eddy jackknifes off low board.

# Baseball

Barton. ROW 6: J. Strickland, D. Dillman.

J. Briggs works out batting kinks in spring training.

## Marshfield Fields First Nine

For the first time in the history of Marshfield High School, baseball will be included in our wide range of athletic activities. According to the newly appointed coach, Chet Haliski, "This will be a building year for our young team. Most of the emphasis will be placed on freshman and sophomore hopefuls who will represent us against varsity teams in the coming years. This year we are going to work mostly on the fundamentals of the game." Mr. Haliski also added that if the abilities of a underclassman and a upperclassman are anywhere close the playing experience will go to the underclassman.

This year the baseball schedule will be made up mostly of J.V. games. They will rely on the few experienced juniors and seniors for their first season wins.

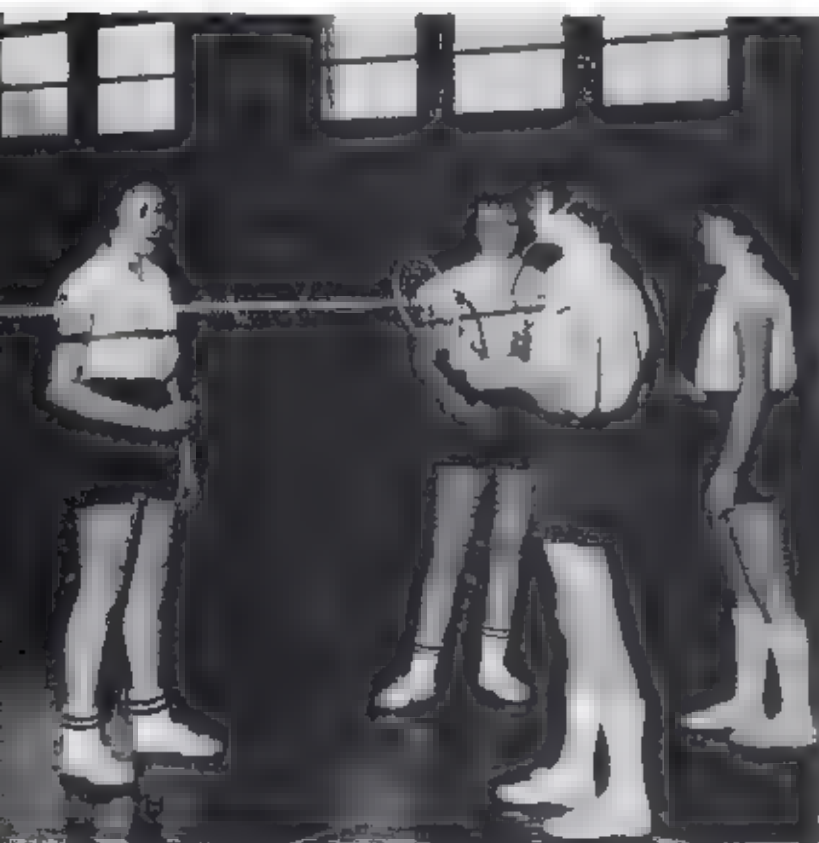

K. Long, S. Carter, M. Finely, L. Dyer, and P. Schaaf watch the ball's course.

S. Morton, L. McPherson, L. Webb, D. James, D. Hyde, J. Palmer, and H. Nissen form a pyramid.

TOP: J. Campbell, P. Pettyjohn, P. King, and L. Tobiska discuss a badminton shot

BOTTOM: K. Gansberg aims for a strike.

## Girls' Sports Feature New And Varied Program

The girls' sport program, open to all students, added several new after-school activities this year. Together with the major sports, a dance group was formed for girls especially interested in dancing. Under the direction of Miss Peggy Kestie, the group performed at basketball half time shows and made several public appearances during the year.

Major sports included in the program were table tennis, bowling, basketball, volleyball, badminton, tennis, and trampoline. Approximately 300 girls participated in the after school program. Deck tennis and shuffleboard added new spirit to the recreational program. These sports were supervised by Mrs. Beverly Kemper and Miss Kendra Lundgren.

Kestettes perfect drills during practice in the Girls' Gym.

Kestettes perform for half-time.

"Since the beginning of history mankind has struggled individually and collectively for political, economic, and cultural betterment and has found the greatest ability to make such advancement through democratic organization to achieve common aims.

"Therefore, we, who have common objectives to advance the living standards of ourselves and our fellow workers everywhere in the world, to promote the general welfare of our nation and our communities, to banish racial and religious prejudice and discriminations, to strengthen democracy everywhere and achieve permanent peace in the world, do form ourselves into one, indivisible union . . ." Constitution of ILWU

To A Quais (imagined sonnet by Dennis Cheneveth)

My buddy Quail;  
Who is pretty tough,  
Ma buddy - four years,  
My buddy in fun & tears.

The guy in the hot tub  
Huntley has one too, my lord;  
The guy of Senn's Beach fame,  
The guy no babies can tame.

To a buddy - four years,  
A buddy who knows how to  
Play 'er cool at the U of O,  
And with the babies he sure to go.  
From your ol' buddy (hence,  
He just wrote a noble sonnet piece.

Notice the great rhyme scheme, the  
alliteration, allusions, and imitable punctuation.

We sure have had some good  
times in Dwight's cross and good  
old study hall. I hope we can  
get together this summer and

person

Qag -

Well, "Mr. Depter-pusher", our time is just about up. So you realize how old we are now!! It would take forever to write all the wonderful memories we've shared, so just try

to recall a few of them each time you look at this annual and I'll do the same. We sure were lucky(?) to have so many classes together this year. 'Two study halls! Honestly!!')

"Do you suppose we'll ever study in that?"  
C. Day asks L. Mabon.

~~It's been a great~~  
president this year.

But Sonora Dieris should be a real bloust. (But I hope not the kind of "bloust" Mr. Alvey always talks to you guys about.)

It's been a great senior year - one that we'll all remember for a long time, I'm sure.

You're one in a

million, Qag. Please don't ever change.

Be good, and I hope I'll see you next year at Uyo (not sure)

The "Mr. Crane of Sleepy Hollow" cast proves that a good dress rehearsal does not always mean a bad performance.

Linda  
Lowe

Pirate fans prove that all the paper did not fail on Colonel John Glenn as the team wins the first place in District V A-1 and heads for the State Tournament.

Quals -

I don't really know where to start. We've had enough good times to fill up every page in this whole annual. I still remember the freshman biology class we had together with old "Mac". That was the beginning of our friendship. Don't ever forget the great times in McLean's class either. It's almost graduation now and we've had a lot of experiences that wouldn't be too appropriate here so I'll leave those out. I'd better stop now so other people will be able to write here to. Good luck always.

Jim Elliott  
"62"

Oyster Paper Qualman:

Will say I guess I'll write to you in this book. Remember those great times we had in the fifth through the eighth of our grade years. They were sure great times. The times you took to help me with my fifth grade with my school work it helped me a lot. Now we're in Hi School together and have had some good times together. It is nice to have a friend like you around you'll always be a true and loyal friend to me. Well we're about ready to graduate from hi school and to go on our own in the world so I'll say so long.  
Then Hockwood  
"62"

Log  
Best of luck to  
a great class that  
never forgets
